10/30/69

This, from John, is whst I referred to the other day . It got lost in the clutter on my desk. Somehow, this seems different than the published copy, whichmay be entirely wrong, just a trick of memory.

He has since told me to forget about it. About his interest, I will. But I'd like to know, if you do, whether this is identical with what was printed in the 28.

H
